Creating ^{an} exceptional environment

SUPPORT SERVICES

CSG has dedicated teams specialising in support services providing you with a one-stop shop solution for your overall building maintenance.

DEEP CLEANING

Our specialist teams ensure optimum hygiene standards and regulations are met and then maintained.

WINDOW CLEANING

For many buildings, windows are an important part in making the structure spectacular. With our experienced abseil team and working with select partners, every floor of your building can shine.

WASHROOM SERVICES

In any sized company the first requirement in washroom areas is cleanliness. We go beyond this, offering hand care, sanitising systems, feminine hygiene and consumable stock/supply management.

JANITORIAL SUPPLIES / CLEANING EQUIPMENT

We can provide quality cleaning products, janitorial supplies and equipment across many areas, from floor polish, rubber gloves and dishcloths to buffing and carpet cleaning machines.

SPECIALIST FLOOR & CARPET CLEANING

Businesses find that floors require regular, routine treatments and services. Whether this is a one-time express carpet clean or long term care and protection service – we have dedicated teams on-call. We also provide a convenient mat rental service consisting of a weekly, fortnightly or monthly lift and lay of logo mats.

PEST CONTROL

We offer a comprehensive and discreet range of rodent/insect pest control services, including emergency call-outs and bird control services such as building bird proofing, bird scaring and guano cleaning.

CAR PARK MAINTENANCE

A first impression is often pulling into your carpark and seeing your entrance area. Ensuring this space is immaculate at all times should be of utmost importance.

- Gum removal
- Mechanical sweeping
- Car park re-lining
- Litter picking
- Gritting
- Snow clearance

GARDEN & GROUNDS MAINTENANCE

Total ground-care makes for pristine green space for staff and visitors and the best first impression.

- General gardening
- Hard and soft landscaping
- Flower beds
- Shrubberies
- Weeding
- Build projects

SECURITY

As part of the FM Services offered, we provide these key security services for many businesses:

- 24 hour service 365 days of the year
- Manned security and patrols
- Alarm response and key holding services
- Professional concierge security staff

WASTE MANAGEMENT

In today's ever-changing environment and with a growing requirement to maximise recycling, responsible Waste Management is key. Through select partners we carry out recycling, compacting and baling duties to many sites across the UK helping you minimise your environmental impact.
